**RESPONSE TO SPECIES ELECTION REQUIREMENT**

Sir:

In response to the Election Requirement mailed January 9, 2007, Applicant provisionally elects the species of a first embodiment (Figs 1 and 2), with traverse. Claims 1-7 are believed to read on the elected species.

The Examiner is requested to reconsider the Species Election Requirement because all of the species are drawn to subject matter which are so related to each other that an undue burden would not be placed upon the Examiner by maintaining all of the species in a single application. (see, e.g., MPEP § 803)

Favorable consideration of this application is respectfully requested.

Dated: February 6, 2007

Respectfully submitted,

  
Bryant E. Wade
